Re: Initial Servicer Certification of EMC Mortgage Corporation

Dear Mr. Heran:

Enclosed please find the initial certification for EMC Mortgage Corporation ("EMC"), which is being delivered to the Department of the Treasury ("Treasury") and Making Home Affordable-Compliance ("MHA-C") in its capacity as compliance agent for Treasury pursuant to EMC's obligations under the Amended and Restated Commitment to Purchase Financial Instrument and Servicer Participation Agreement dated March 26, 2010, as amended by Amended and Restated Commitment to Purchase Financial Instrument and Servicer Participation Agreement dated September 21, 2010 (the "SPA"). In addition, attached to this letter as Schedule 1 is a list of exceptions as required by Supplemental Directive 10-06 ("SD 10-06"). This letter and Schedule 1 (collectively the "Cover Letter") constitute the "cover letter" required by SD 10-06, and capitalized terms not otherwise defined in this letter have the meanings given to them in the SPA and SD 10-06. Also, please note that the certification of compliance with applicable laws and other requirements relates solely to EMC's performance of Services under the Programs and does not relate to other activities of EMC.

The matters contained in this Cover Letter are confidential and proprietary and are being disclosed solely to comply with EMC's obligations under the SPA. EMC is delivering these items with the understanding that neither Treasury, nor MHA-C, intend to make them available to the general public. EMC also requests that these materials be considered as confidential business information under applicable Treasury regulations, as further specified in the Request for Confidential Treatment set forth below. To the extent that any matters contained herein constitute information that is confidential and proprietary and/or protected under any applicable privilege (including, without limitation the attorney-client privilege or any legal privilege relating to the results of compliance self-examinations), EMC expressly reserves its rights with respect to such information.

Finally, EMC declines its option to base Subsequent Certification Effective Dates on its fiscal year, and will therefore utilize the anniversary of the Initial Certification Effective Date as the Subsequent Certification Effective Date.

Please contact the undersigned in the event you have any questions regarding this Cover Letter.

Sincerely,

EMC Mortgage Corporation
